DAMAGED ITEMS

It is your responsibility to inspect ALL items **before** they are picked up for processing. We will not assume responsibility for those items received with damage (ex. buttons missing, broken zippers, rips, tears or previous scorch marks). All items will be re-checked on arrival at our premises. If any damage has been noticed on the item(s) we will immediately notify you & a detailed ticket will be attached to that item(s). It is your decision as to whether you want the item(s) cared for. In the very unlikely event that a item becomes scorched or damaged in our care, we offer a strict replacement policy. The damaged item will be replaced with an identical item, or another item of equal value. Certain restrictions apply.
